This will, in no small way, help our understanding of some selected political posters i.e. applying those pragmatic features on samples of political newspaper headlines, pictures, captions etc entailing how meanings are decoded from them.

(PDF) A Pragmatic Analysis of Pragmatics of Speech Acts in ...

One of the longest standing quests in philosophy has been the search for truth. From Plato to Kant, every serious philosopher has taken an epistemological stand. In William James' Pragmatism, a series of lectures, he presents a compelling pragmatic theory, one that argues our truths ought to remain truths only if they provide useful...

Pragmatism: An Analysis of William James

Specifically, analysis suggests that all human subjects are vulnerable and vulnerability in clinical research is comparative and context dependent, in the sense that individuals are vulnerable relative to others and in some contexts only. Yet, if everyone is vulnerable, there seems to be no point in citing the vulnerability of some individuals.
