Kopano Matlwa's Coconut tells the story of two young girls living on far and opposite ends of one world, and although they couldn't be more different, they are connected by one reality: trying to navigate through a South Africa that suggests that they somehow do not fit in it. It exposes the savory side of the lives of South Africa's "golden children" and the fallacy of the "Rainbow Nation."

Coconut – Kopano Matlwa (Rediscovery Blog – Leg IX - Cracking the Coconut with Dr. Matlwa) Dear Kopano, You are roughly half my age, yet somehow you have written a book that is unnervingly "mature" in its dissection of a theme that, in my opinion, is the placenta that feeds many of the world's great novels - the quest for identity and autonomy.
