1 FUNDAMENTALS OF ACOUSTICS - WHO

Looking for a sound engineer. I know it's a difficult request, but I'm searching for someone to mix (and possibly master) some tracks for free. I'm searching for someone who I could grow with, and possibly be a bilateral thing. So if you're looking to practice mixing skills and need vocals, contact me.

Sound Engineer's Hard Work [HD]

In this region the sound field does not decrease by 6 dB each time the distance from the source is increased (as it does in the far field). The near field is limited to a distance from the source equal to about a wavelength of sound or equal to three times the largest dimension of the sound source (whichever is the larger). 1.1.2.3. Far field
