For your convenience HowardForums is divided into 7 main sections; marketplace, phone manufacturers, carriers, smartphones/PDAs, general phone discussion, buy sell trade and general discussions.

~~Motorola i465 (Clutch) HowardForums~~

I recently bought the Motorola Clutch i465 phone with the Boost unlimited (\$50/mo) plan. (The phone is GREAT by the way!) I would like to send and receive text messages to/from my personal email address (and possibly others, but I have no interest in "spamming" anyone). But I can't figure it out. Is this even possible? Or is it some kind of "security" feature?
