Achieving safe road traffic — the  
experience in Japan ...

As traffic slows down, research is  
gathering momentum. More than half of  
all U.S. truck drivers exceed the federal  
limit of 60 hours per week.

Institute for Traffic Accident Research  
and Data Analysis ...

The number of fatal and injury traffic  
accidents and that of casualties were  
725,773 cases and 901,071 persons  
respectively. In April 2011, the  
government has started the Ninth  
Fundamental Traffic Safety Program and  
has set the target to reduce yearly  
"24-hour fatalities" to less than 3,000 by  
2015.
