The International Journal of Mathematics and Computer Science (IJMCS) is a high-quality refereed quarterly journal (semiannual from 2009 to 2018-OPEN-ACCESS since 2012) which publishes original papers in the broad subjects of mathematics and computer science written in English.

~~International Journal of Mathematics and Computer Science~~
International Journal of Computer Mathematics (IJCM) is a world-leading journal serving the community of researchers in numerical analysis and scientific computing from academia to industry. IJCM publishes original research papers of high scientific value in fields of computational mathematics with profound applications to science and engineering.

~~International Journal of Computer Mathematics Impact ...~~
Mathematics and Computer Science (MCS) is an international research journal of rapid publication devoted to the publication
