Search for Duplexes, Triplexes, or 4-plexes. It is a great way to get your feet wet. You can also start by wholesaling – where you find the deals and sell them to other investors.

Is a Duplex a Good Investment? - Ideal REI

The single biggest risk of investing in duplexes is, without a doubt, vacancies.

Where To Download

Vacancies, or unites that go unrented, cost investors money every single day they go without a tenant. And while profit margins will vary from unit to unit, even the best duplex investors can't make money if they aren't renting out their assets.

It is no secret that investing in real estate can significantly boost one's income. Many people begin by investing in single-family residential properties and work their way up to commercial properties, such as duplexes, triplexes, and quads. However, moving from one to the other may seem like a big leap.
