This is the wonderful second book that continues on from the first book by erica cope the lark. In this book it starts of a couple months after the ending of the first book . Mia faces many choices that will change her life forever. the ending of the book leaves you wondering what will mia really do will she follow her heart or the needs for her kingdom .

~~Author Erica Cope~~

Erica Cope did such a wonderful job of wrapping up the trilogy, but leaving enough loose ends to make us wonder what is going to happen to the characters next. Mia has grown up so much in this book. I'm amazed by the transformation she has made from being the wide-eyed, naïve girl she was in the first book, LARK, to the leader she becomes in LIKE THE DAWN.

Lark by Erica Cope 3 STARS I went back and forth between 2 and 3 stars almost all the way through the book. At first though, I was actually convinced it was going to be a 2 star, but fortunately the story improved, the lead female, Mia, became slightly less annoying, a swoon-worthy male was introduced and the ending won the 3 stars.
