Across The Disciplines 5th Edition Answer Key

Just like in reading math and business texts, reading in the social sciences requires knowledge of the jargon of its specific disciplines, for example: Political Science (communism, monarchy, and executive branch), Economics (market, profit, equity, and trade relations), Sociology (migration, social ,class, and discrimination), Psychology (depression, suicidal, personality, and motivation).

McWhorter, Reading Across the Disciplines | Pearson

Summary. Katherine Ackley assumes that students respond most deeply to readings on topics relevant to their own lives. The selections included in the fifth edition of PERSPECTIVES ON CONTEMPORARY ISSUES will prompt good discussions, and the sections on reading and writing critically will lead to writing that you truly care about.
