REVEL™ for Public Relations: A Values-Driven Approach introduces students to public relations, defined as the management of relationships between an organization and the publics important to its success. Authors David Guth and Charles Marsh outline the profession's common issues, trends, and techniques, and help students to place the profession within the context of its role in the conduct of a civil society.

4 Advertising and Public Relations Strategies for Startups

This comprehensive text is grounded in scholarship and includes references to landmark studies and time-honored public relations techniques. The writing is geared to undergraduates, and many colorful charts and photos are used to enhance major concepts. You can also purchase a loose-leaf print reference to complement Revel Public Relations: Strategies and Tactics. This is optional.
