Fatemarked is the sort of book that the term “epic adventure” was coined to describe. Huge in scope, it chronicles (what are presumably) the end years of a Hundred Year, three generation, war that has devastated four kingdoms. The cast is vast, but surprisingly easy to remember and come to love.

It's a rare first book that makes me want to spend money on the rest of the series, but as soon as I finished the Fatemarked I was downloading the next with no hesitation. Highly recommended for anyone looking for an expansive, imaginative fantasy world with all kinds of different characters and locations.
